EXPERIENCE

Product & Creative Strategy Intern

Root2Rise ↑ Promoted

2026 – Present

- **Spearheaded** end-to-end product design and creative strategy for multiple concurrent initiatives, taking full ownership from ideation through execution in a 0→1 startup environment.
- **Orchestrated** cross-functional collaboration between product, marketing, and leadership teams to align design deliverables with user needs and business growth objectives.
- **Developed** scalable growth strategies and creative content systems — including video production — that enhanced brand visibility across digital channels.
- **Contributed** to product thinking and roadmap discussions, translating user insights into actionable design solutions supporting retention and engagement goals.

UI/UX & Graphic Design Intern

Root2Rise

2026 (3 Months)

- **Led** UI/UX design for core product screens, applying user-centred design principles to improve usability, information hierarchy, and visual consistency.
- **Executed** graphic design for marketing campaigns, social media, and brand assets — delivering 50+ original visual assets within tight timelines.
- **Streamlined** design-to-development handoff by producing structured Figma files with annotated components, reducing ambiguity for engineering teammates.

PROJECTS

S.E.H.A.T — Healthcare Super-App

Healthcare

UX/UI Designer

- **Conceptualised** and designed a full-stack healthcare super-app competing with Practo, introducing an expanded digital hospital ecosystem with additional service verticals.
- **Executed** the complete UX process — user research, information architecture, user flows, wireframing, and high-fidelity UI delivering a cohesive product experience across multiple user personas.

Pharmacist Shubham — LMS Platform

EdTech · Learning Management System

Product Designer

- **Designed** a complete LMS experience from concept to final product, defining product strategy, user flows, and UX architecture for a specialised pharmacy education platform.
- **Delivered** end-to-end UI design including course dashboards, progress tracking, and content consumption screens optimised for learner engagement and retention.

LEADERSHIP & ACHIEVEMENTS

- ★ **National Finalist** — Investopedia, E-Summit'26, IIT Roorkee
- ◆ **Point of Contact (POC)** — Smart India Hackathon 2025 & 2026; managed and coordinated cross-functional teams both years
- ◆ **Core Team Member, E-Cell KIET** — Event Management Lead for Endeavour (Annual E-Summit); created 100+ original visual designs for branding and campaigns

EDUCATION

B.Tech — Electronics & Communication Engineering · KIET Deemed to be University	Ghaziabad, UP
Intermediate (PCM) · Saraswati Vidya Mandir Inter College	79%
High School · Gola Public Inter College	82%
